Dear Sir/ Madam

Stanground Academy Careers Fair Tuesday 6 February 2024 09.00 am – 3.00 pm

We are thrilled to invite you to showcase your business or opportunity at Stanground Academy Career Fair. We are extremely grateful for your time and really hoping for a positive response from a wide range of volunteers. With the success of last year first ever Careers Fair, we are hoping to showcase even more prospects for our students this year!

This special event will see volunteers from a range of organisations, universities, colleges, and businesses from the world of work come together to help raise and broaden aspirations for our Year 9, 11, 12 & 13 students. This initiative will enable pupils to see the link between their learning in secondary school and their opportunities in later life. We hope this event will help to expand student's knowledge of the wide variety of different career pathways available, that they may otherwise have no knowledge or experience of.

The information below will provide details of your involvement in the event.

Aims of the Event:

- Raise aspirations and broaden horizons
- Help students make links between the subjects they are studying and their futures and in doing so motivate them to work harder and improve their educational attainment
- Challenge gender stereotypes around different job roles
- Raise awareness of vocational and alternative pathways

If you choose to come and showcase at this event, we ask that you have an interactive stand that pupils can get involved with and maybe have hand out information sheets available that they can take away.
